

## SERVICES/CAPABILITIES

### Plastic Piping Systems:

- Plastic Pressure Piping [1/2" - 65"]
- Engineered Spirolite Piping [18" - 120"]
- Drainage Corrugated Piping [3" - 60"]
- HDPE FM Firewater Piping
- Plastic Dual Containment Piping
- Complete Fittings System  
(Molded, Fabricated & Electrofusion)

### Containment Liner Systems:

- Geotextile, Geocomposites, Geogrids
- Fabric Formed Concrete
- Concrete Embed Liner Protection

### Plastic Tanks:

- Custom Plastic Tanks

### Equipment Sales & Rental

- Fusion Machine Rental, Sales & Repair
- Hydroexcavator

### Plastic Piping Services

- Plastic Pipe Installation to your specification
- Pipe Butt Fusion Capabilities (Up to 65")
- Weldable Plastics Repair
- Design Aid
- Emergency Response
- Horizontal Directional Drilling Packages
- Site Civil Construction
- Hydroexcavation

### Liner Services

- Custom Industrial Liner Fabrication/Installation
- Saddle, Socket, Electrofusion and Extrusion Fusion Services
- Weldable Plastics Repair
- Emergency Response
- Design Aid
- Site Civil Construction

### Fabrication Services

- Weldable Plastic Fabrication Shop (Pipe, Plate & Liner)
- Containment Structures: Manholes, Wetwells & Sumps
- Weldable Plastics Repair
- Site Civil Construction
- Hydroexcavation
- Design Aid

CORPORATE OFFICE:

2324 South Commerce Avenue, Gonzales, LA 70737

Phone: 800.933.8734 · Fax: 225.647.2747

## APPLICATIONS

### Plastic Pipe:

- Firewater
- Process Water
- Industrial Water Lines
- Public/Federal Utility Water & Wastewater Systems
- Gravity Sewer
- Horizontal Directional Drilling
- Wastewater
- Bypass Lines
- Force Main
- Outfall/Effluent
- Subaqueous Pipelines

### Containment Liner:

- Industrial Containment
- Ponds - Lagoons
- Tanks
- Trenches - Sumps
- Canals
- Landfills - Liners, Caps, Daily Cover
- Wastewater Containment
- Tunnel Liners
- Concrete Protection - Embed Liners

### Armoring/Erosion Control

- Fabric Formed Concrete Linings

## AFFILIATES

**US RAILROAD  
CONSTRUCTION**

## Full Service Specialty Contractor

Tank Berm Containment

Secondary Bottom Liner

Raw/Fresh Water: HDPE Piping

Underground Firewater Piping: HDPE Piping

WW Out: HDPE Pipe

Fabric Formed Concrete/Revetment Erosion Control

Lined Treatment Pond: Containment Area

Lined Aeration Pond: Containment Area

Outfall Line: HDPE Piping

Cell Containment Liner

Geosynthetic Liner Cap

Perforated Leachate Collection: HDPE Piping

Landfill Area

48" - 120" Manhole: HDPE or Polypropylene Structure

Lined Treatment Pond: Containment Area

Dual Contained Piping: HDPE Piping

60" - 120" Wet Well: HDPE or Polypropylene Structure

Reuse In: HDPE Pipe

New/Rehab Firewater Piping
